Re: Amendment of Section 73.202(b),
FM Table of Allotments
(Quincy, Washington)

Dear Mr. Caton:

Transmitted herewith on behalf of Quincy Community Radio is an original and four copies of a petition seeking the institution of a rule making proceeding to allot FM Channel 240C3 to Quincy, Washington. This petition is respectfully directed to the Chief, Allocations Branch.

Should any questions arise concerning this matter, please contact this office directly.

Sincerely,

John F. Garziglia

In the Matter of)
 Amendment of Section 73.202(b),)
 Table of Allotments,) RM- _____
 FM Broadcast Stations.)
 (Quincy, Washington))

To: Chief, Allocations Branch

PETITION FOR RULE MAKING

Quincy Community Radio, by its attorneys, pursuant to Section 1.401 of the Commission's rules, hereby seeks the institution of a rule making proceeding to amend Section 73.202(b) of the Commission's rules, the FM Table of Allotments, to add FM Channel 240C3 to Quincy, Washington as follows:

<u>Community</u>	<u>Present</u>	<u>Proposed</u>
Quincy, Washington	244A	244A, 240C3 ^{1/}

This new allotment is made possible by the modification to the allotment of KULE-FM, Ephrata, Washington ordered in MM Docket No. 87-326 [see Ephrata, Washington, 4 FCC Rcd 307 (1989)]. On June 4, 1993, Basin Street Broadcasting, the licensee of KULE-FM, filed an FCC Form 301 proposing to modify its operation from its former FM Channel 240A to its now allotted FM Channel 222C2. Accordingly, KULE-FM is no longer entitled to protection for its former Channel 240A at Ephrata. See e.g. Corning, California, DA 93-902 at footnote 4, released August 2, 1993.

^{1/} The allotment of Channel 240C3 to Quincy, Washington is proposed at reference coordinates of 47° 19' 13' North Latitude, 119° 48' 00' West Longitude, a site 10.3 kilometers northeast of the center of Quincy, Washington.

It is noted that the proposal in this petition may be in conflict with certain aspects of a petition for rule making filed on May 27, 1993 by Hartline Broadcasters. The proposal made in that petition for rule making has not yet been released in a notice of proposed rule making, and counterproposals have not yet been cutoff by the specification of a comment date. Therefore, to the extent that this proposal to allot Channel 240C3 to Quincy, Washington conflicts with the proposal made by Hartline Broadcasters on May 27, 1993, that conflict does not prohibit the filing and acceptance of this petition.

Quincy Community Radio has a present intention to apply for the channel if it is allotted, and if authorized, to build a station promptly.

Respectfully submitted,

QUINCY COMMUNITY RADIO
